 - (1) Add Previous Owner – In December 2019, the Markets Committee referred the changes to the GIS Operating Rules Working Group. However, due to a series of events, the changes were not brought back to the Markets Committee for approval. This item will be discussed at an upcoming MC meeting to go through the review process again.

- (2) Add State (Location of Project) – In December 2019, the Markets Committee referred the changes to the GIS Operating Rules Working Group. However, due to a series of events, the changes were not brought back to the Markets Committee for approval. This item will be discussed at an upcoming MC meeting to go through the review process again.
- (3) Enhancements to the Transfer Screen Data Pane
 - (a) Bao – Looking to have the ability to resize columns and sort directly via Data Pane on the Transfer Screen. Right now, Users needs to decrease the Page Size to see more data on the data pane.
 - (b) Bao - If approved, APX will explore and provide different options for how to enhance the Transfer Screen Data Pane.
- (4) Checkboxes for applicable eligibilities
 - (a) Bao - On the eligibility columns, have checkbox for applicable eligibilities. Leave blank if eligibility is not flagged. Currently there is a checkbox for approved eligibilities and X for non-approved eligibilities.

5) General Comments and Questions

6) Next Steps

- a) Usability Group Meeting Minutes will be posted to informational website.
- b) Add Previous Owner and State to Transfer Screen enhancements will be discussed at the 4/12/2022 MC Meeting.
- c) APX will review the Enhancements to the Transfer Screen Data Pane and Checkboxes for applicable RPS eligibilities and if there are no objections from the Usability Group, will pass on to Paul and Lynn to bring to MC to review.
